

Extra Credit - Science Funnies – Laugh your way to an A

Task:

1. Find a science related funny (comic strip) from the newspaper or a magazine. (NOT from the internet)
2. Carefully cut it out and bring it in to Mr. Temme before class.
3. It should relate to a topic we study or a topic from the textbook. It should be funny!
4. To be accepted it must not already be up on the comic bulletin board. We need a new one here!
5. One comic = one bonus point
6. Earn up to 5 points per marking period by bringing in up to 5 comics.
7. You can complete this extra credit each marking period in addition to others!
